" Some Players Practice to get it right " ,  
" All Champions Train to not get it wrong"  
**THE NEWEST AND LATEST WAY TO TRAIN TO PLAY SOFTBALL**

*Our Year round Indoor Facility will meet your expectations. Our Instructors will work with your athlete on a more personal level than you have ever had before. The common instructor to student ratio is 2 to 1. We can accommodate a team atmosphere as well. If you need we can make room for your whole program. Want to be in a classroom setting? We have the room for you and your Coaches to sit your team down and teach the game of softball to your athletes. You need Athletic Training; we are in the process of the final touches on a new program that will help you take your game to the next level.*

Our Instructors have over 50 years of coaching and instructing experience at the Local and National Levels. We use the State Of The Art Computer Pitching and Hitting Analysis Program, "**The Right View Pro**".

**The Right View Pro** computer analysis is endorsed by some of the finest coaches in the world of fast-pitch softball. Such as USA Olympic Coach and Head Coach of the Arizona Wildcats- Mike Candrea. Head Coach UCLA Bruins – Sue Enquist. Head Coach and Former USA Olympic Head Coach – Ralph Weekly. The program sets our young athletes side by side with the best players in the world and compares the swing and pitching motion to the elite players of the game of fast-pitch today.

*We can Instruct and Train your Athlete, "How to Not Get It Wrong"*

*Do your Softball players have confidence in there sliding and base running?*
